Lesslie R. Thomson, Esq., B.A.Sc.,

Advisory Board of Scientific and Industrial Research,

Ottawa.

Dear Mr. Thomson:

We have appointed Mr. Lincoln Marshall to a position as Assistant in Chemistry in the University of Toronto for the coming year. We hope that it will be possible to have him exempted because if he is not likely to be of especial value as a soldier he certainly ought not to be lost to science. You know how extremely difficult it is for us now to get men to fill positions in Chemistry and branches of Engineering. If you can do anything to help Dr. Needham in securing exemption for Mr. Marshall we shall regard it as a favour to us.

With kind regards, I am,

Yours sincerely,

President.

Ottawa, May 11, '18.

Dear Sir Robert,-

At the request of the Chairman, I am enclosing 12 copies of our application forms for Studentships and Fellowships.

Would you be kind enough to place these in the hands of the Professors most likely to have research students working under their direction ?

I remain,

Very truly yours,

Lesslie R. Thomson

Secretary.

Dear Mr. Thomson:

I am directed by Sir Robert Falconer to acknowledge the receipt of the application forms for Studentships and Fellowships and to say that they are being distributed to the Professors concerned.

Yours very truly,

President's Secretary.
